MEMORANDUM FOR: Director of Personnel

SUBJECT : Position Management Surveys

REFERENCE : DD/A 74-4477, Memo to DD/A fr D/OP, dtd
12 November 1974, Subject: Comments of
Office Heads on Position Management
Surveys

I have read your memorandum and all its attachments, and I believe the true message which should emanate from the attachments is going to be found only after a very careful analysis. I note your last paragraph states that what you submitted is a preliminary review, that you anticipate more input, following which a more thorough review will be made. Let's withhold a substantive conversation on the issue until all reports are in and the analysis is made. From what you have to date, it would seem to me to qualify as a real "mixed bag."
